The Five Engineers

Product Vision

“To provide conference attendees with an automatic, personalized schedule to reduce time spent preparing for the conference.”

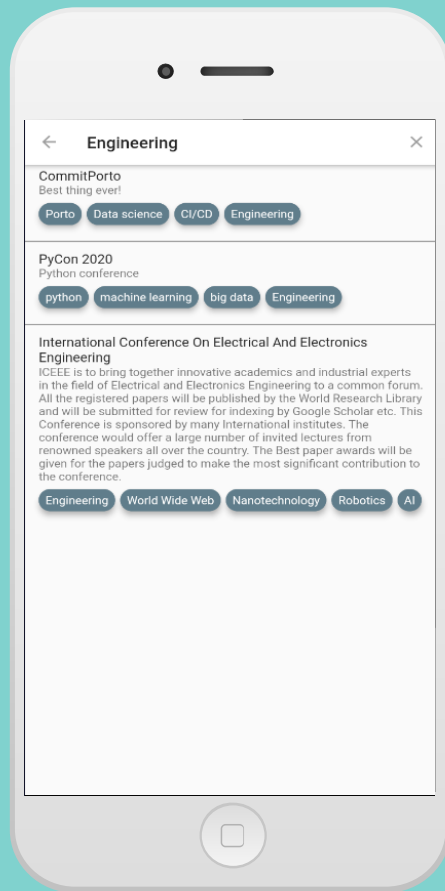

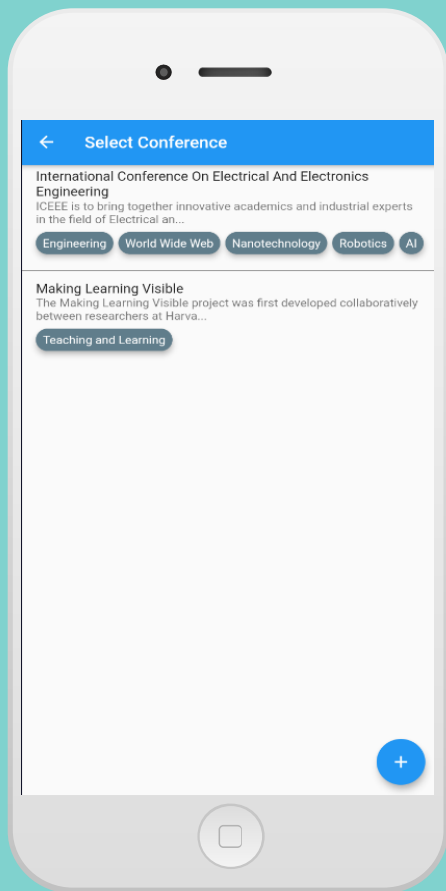

Why eventee?

Have you ever been to a conference only to find yourself running from one workshop to another and having to leave in the middle of the most interesting part just so you could see a little bit of another one? Or even failed to enter a workshop because the session was full? Then, *eventee* is the app for you. List your favorite workshops and it will give you a schedule without having to deal with partial sessions or full rooms.

You can
select/create a
conference to
organize...

Or choose a
conference to
attend...

If you're an
organizer, you can
create new
conferences...

Smartphone screen showing the 'Create a Conference' form. The form includes fields for Name (0/50), Start Date, End Date, Location (0/100), Description (0/1000), and Tags (0/50). A 'Create' button is at the bottom.

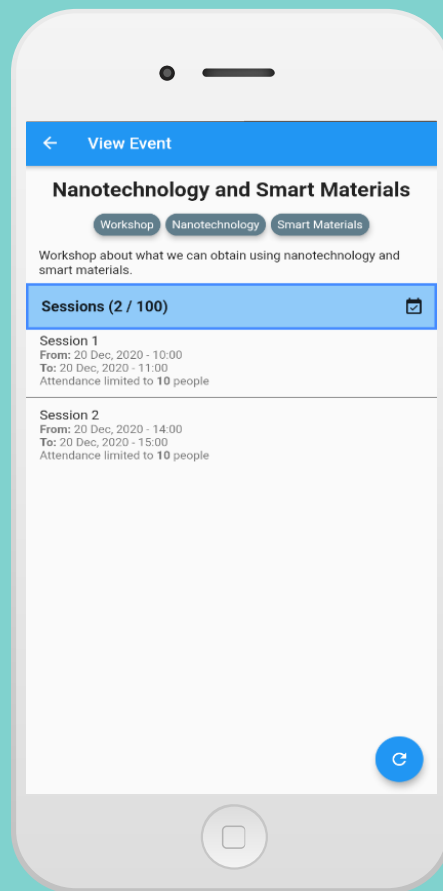

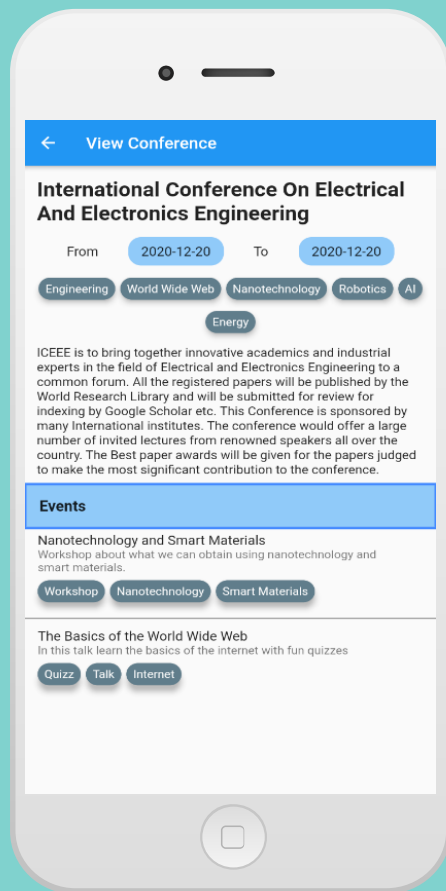

Smartphone screen showing the 'View Conference' screen. The 'New Event' section displays dates (From 2020-12-19 To 2020-12-20) and a welcome message. Below is an 'Events' section with a 'Generate Schedules' button.

And add events and
sessions to it

You can view the
conferences you
created or
conferences to
attend...

Or view their talks
and workshops...

And if you want to
save some time
organizing your
schedule...

Use *eventee* to
make it a lot easier!
